Subject: [Non-DoD Source] Glover Special Permit

Hi Dawn,

2016 APR 15 PM 4 27
PLANNING & PERMIT
COUNTY OF HAWAII

EXHIBIT
55

We have tentatively scheduled the hearing for this application on June 2, 2016. Glover's attorney, Randy Vitousek, submitted the attached Cultural Impact Assessment to address the Land Use Commission's concerns about how the project will preserve and protect any customary and traditional native Hawaiian practices. I have also attached the letter from Glover dated January 30, 2015 responding to your letter dated November 18, 2014 regarding the property line discrepancy, HIARNG's AIS which identified 5 historic properties within 300 meters of Glover's property, and hazardous waste management.

Please let me know if the HIARNG has any remaining concerns after reviewing these documents. I would appreciate a response by Friday, May 13th.

Thanks Dawn.
